Known as the Edinburgh of the South, Dunedin City has a heavy Scottish influence. Surrounded by rugged coastal plains and windswept beaches it's home to an eclectic mix of historical and modern architecture as well as industrial technology. Renowned for its Flemish Baroque-inspired 'gingerbread house' Railway Station, this university town is bustling with life. Head to the Saturday farmers market held in the aforementioned railway grounds for a taste of organic produce, handmade crepes and local honey. Explore the many cafes and wine bars in The Octagon, then continue on a self-guided walking tour of the internationally acclaimed Street Art dotted around the city. Drive to the coast and watch the freighters passing in the distance while you sunbathe, or hire a mountain bike and test your legs on one of the many trails available in the area. For a more immersive historical experience, follow the coast to New Zealand's only castle, Larnach Castle. On your way back be sure to head to the Otago Peninsula to see the largest mainland Albatross colony in the world.

### SUGGESTED ACTIVITY - Castle to Cruise Tour and Penguin Place

Today you'll explore the wildlife and history of the Otago Peninsula. You'll be welcomed to the MV Monarch for a wildlife cruise around Taiaroa Head, home to the world's only mainland nesting site for royal albatross. Scattered along the rocks you'll also see New Zealand fur seals basking in the sun and possibly New Zealand sea lions on the beach. In the water you may also see penguins, dolphins and other marine birds. Back on land you'll take a guided tour of New Zealand's only castle, Larnach Castle built in 1871. Learn of the scandals and history of the castle and explore the beautiful garden of international significance. Your final stop of the day is to The Otago Peninsula Eco Restoration Alliance (formally Penguin Place), a natural nesting site for the rarest penguin in the world, the Yellow Eyed Penguin.

### SUGGESTED ACTIVITY - Elm Wildlife Peninsula Encounter Tour Including Wildlife Cruise

A small-group bus tour from Dunedin. Join a local guide for a journey across the Otago Peninsula. Travel over the high road with postcard views of the harbour and coast. You'll travel past quaint communities and rural farms. Spot wading birds as your mini-bus explores around the inlets and the wetland eco-systems. Your tour will visit a remote Otago Peninsula beach. A short walk from the mini-bus will provide dramatic views of rugged coastal cliffs, offshore islands and perhaps some huge sea lions. The trip continues to Wellers Rock Wharf, for a Monarch Wildlife Cruise. You'll travel out of the harbour, around Taiaroa Head, and out to sea. Watch royal albatross glide across the water and return to their breeding colony. Beneath a historic lighthouse is a colony of playful fur seals. You'll spot other rare seabirds and maybe blue penguins or other marine mammals. You are also welcome to bring a pre-packed meal on tour with you. Snacks and drinks can be purchased whilst aboard the MV Monarch. We recommend having a good-sized lunch before the tour departs Dunedin. The final stop is at a Yellow-eyed Penguin conservation reserve. Visit the on-site rehab centre before a tour of the reserve. You'll take trails through native bushland, walking through tunnels and trenches to different viewing hides scattered around the reserve. Watch as the world's rarest penguin returns ashore and interacts around their nesting sites. The tour ends with a relaxed drive, following the harbour, back to Dunedin.
