A great way to explore the city or easy way to see the sights or ride the historic trams across town to the renowned botanic gardens and the unique cardboard Transitional Cathedral, that's right it is built of cardboard!

SUGGESTED ACTIVITY - Discover Christchurch Afternoon Tour

A half day sightseeing tour of Christchurch highlighting both the damage to the city inflicted by several large earthquakes in 2010 and 2011 and the rebuild which is currently in progress, together with the surviving beauty of the city and the historical landmarks. Experience the grand architecture, beautiful gardens and scenic viewpoints on a half-day city tour of Christchurch.

The tour commences in the central city of Christchurch and covers the area which was completely devastated by the Christchurch earthquakes in February 2011. The guide will explain both the history of the city and the effects of the earthquake. On leaving the inner city, the tour travels to Mona Vale a historic homestead and gardens. Then you will travel to the Sign of the Takahe, a historic building with a lookout providing spectacular views over the city, Canterbury Plains and to the Southern Alps. The tour then travels via the Port Hills and Lyttelton Harbour by way of the Sign of the Kiwi and Governors Bay to the Port of Lyttelton. Explore Christchurch City

Following the 2011 earthquake that razed its centre and much of the outlying suburbs, Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the Pacific Ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South.

Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just fifteen minutes from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Place, a dramatic reconstruction of the history of the Port Hills and Christchurch.

The International Antarctic Centre aims to recreate the atmosphere and environment of Antarctica, providing visitors with an interactive, fun and educational experience. Feel the full Four Seasons of Antarctica, where you'll experience a custom-built snow and ice experience, then warm up in the Scott Base interior exhibit, a replica Antarctic field camp or other informative displays in the gallery. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

SUGGESTED ACTIVITY - Big Sky Stargazing

Mt Cook is far from the city lights and therefore has some of the darkest skies in New Zealand, perfect for viewing the night sky! Their fully trained guides are delighted to show you the beautiful southern night sky using the naked eye, state of the art astronomy telescopes and binoculars at the outdoor viewing platform. If the weather is not favourable then there will be an indoor alternative featuring New Zealand's first full dome digital Planetarium, a high-definition video images on a suspended 9m wide x 4.5m high full dome. Unleash your imagination as you discover the night sky including the Southern Cross, seasonal ecliptic objects, planets, star clusters, moons, distant galaxies and even our very own galaxy, the spectacular Milky Way!

Wrinkly Rams is a local cafe; with great coffee and fresh homemade food. The Lindis Pass is one of New Zealand's highest roads with the summit reaching 971 metres. The tussock covered hills offer an unusual contrast as you pass from the Mackenzie Basin and into Central Otago. The first Central Otago settlement you reach is the quaint village of Tarras, which has a number of boutique stores and a lovely cafe. A short drive, further along, is the historic and scenic Bendigo Reserve, which was one of Otago's original gold mining settlements. Well marked paths will guide you to the remains of stone cottages and other buildings from this bygone era. Cromwell sits at the head of the Kawarau Gorge and the historic old town is well worth the visit, the buildings are now home to quaint shops and cafes. The old town buildings were relocated from the valley that now sits deep under Lake Dunstan. Continue on through the sheer cliffs of the Kawarau Gorge as they guide you towards Gibbston, one of New Zealand's premier wine-growing regions. At the famous historic Kawarau Bridge, you can take a bungy jump or sit back and enjoy the drama as visitors hurtle off the bridge. Approaching Queenstown the impressive Remarkables mountain range comes into view and then beautiful Lake Wakatipu as you head south. The lake guides you into Southland through its rich farming pastures and into Te Anau, the gateway to Fiordland National Park.
