Day 1

TranzAlpine Scenic Train Christchurch to Greymouth

Your early morning departure is rewarded with incredible scenery today onboard the TranzAlpine Scenic Train, considered one of the world's great train journeys. It travels between Christchurch and Greymouth, from one coast of New Zealand to the other. From your carriage you'll see the fields of the Canterbury Plains and farmland, followed by the spectacular gorges and river valleys of the Waimakariri River. Your train then climbs into the Southern Alps before descending through the lush beech rain forest to the West Coast town of Greymouth, a great base for visits to Punakaiki and the West Coast glaciers.

Greymouth Train Station to Franz Josef with Hokitika Scenic Tours

Leaving Greymouth, you will head south to Franz Josef and Glacier Country. Continue on through Ross, a historic gold mining town where several buildings still remain intact. As you travel further down the coast you'll also go through Hari Hari, the town where Guy Menzies, the first person to fly solo over the Tasman crash-landed. Follow the coast through several small towns before catching a glimpse of the Franz Josef glacier as you arrive in the town centre.

Your accommodation: Punga Grove Motel & Suites

Punga Grove is right in the heart of Franz Josef Glacier village and offers affordable and stylish accommodation in a beautiful rainforest setting.

Day 2

Explore Franz Josef

Franz Josef is a small but lively town in the heart of the West Coast, known for its 12 km long glacier. Surrounded by lush rainforest-clad mountains the township has a vibrant and bustling atmosphere. To see the ice from a viewpoint you can walk along the valley floor to the viewpoint below the terminal face. However, to go on the glacier itself you must take a licensed helicopter tour.

SUGGESTED ACTIVITY - Twin Glacier Scenic Helicopter Flight with The Helicopter Line

Take a spectacular scenic flight over two of New Zealand's most famous glaciers. Land at the head of one and view the incredible sight of this frozen river as it winds its way through ancient carved valleys. Should weather not be suitable to take this flight you are able to transfer your booking onto a similar tour on any of the Helicopter Line's operations in Queenstown or Mt Cook.

SUGGESTED ACTIVITY - Franz Josef Nature Tour with Glacier Valley Eco Tours

Nestled in thick historic West Coast forest and a stone's throw from wild black sand beaches, this is one of the world's most unusual glaciers. Beautiful blue skies or magical misty rain, whatever the weather - you will feel like you are in Narnia or LOTR.

With easy walking at your pace, information on glaciology, geology, geomorphology, flora and fauna, local legends, history, and small guided groups with fantastic guides, you will experience this glacier in style and in the best hands with the only local company. Wander past glacier rivers and streams and through beautiful podocarp forest; discover hidden natural treasures such as native snails, wild native mushrooms, and dozens of species of native orchids; listen to native bird song and waterfalls; see if you can spot a Chamois or a Tahr on the huge snow-capped mountains above while drinking a cup of tea and talking one-on-one with your guide. This tour will be a highlight of your travels in New Zealand.

Take the scenic Haast Pass through the Southern Alps, the southernmost pass between the East and West coasts of the South Island. See the clear and pristine waters of Lake Hawea as you travel east, passing Lake Hawea and Lake Wanaka as you continue through to New Zealand's 'Adventure Capital', Queenstown.
